TLP Foundation is a local non-profit charitable organization (registration #85944 6528 RR0001) that is dedicated to improving the lives of children battling cancer.

To steal a line from the very popular movie “Patch Adams”

“When you treat the disease sometimes you win and sometimes you lose, but when you treat the patient you win every time”

Our goal is to keep these kids positive and upbeat, and most importantly happy as they fight this disease which knows no age boundaries.

Please join us in our quest and the reward will be seen in the faces of the children as we grant them “mini-wishes”, offer bursaries for post secondary education, bring them on social outings & run the CHEO Treasure Chest program.
