

Les Grands Ballets Canadiens de Montréal: The Nutcracker/Casse-Noisette

On behalf of TLP Foundation we are pleased to announce that we are extending an invitation to five (5) families of four (4) people to accompany us to Les Grands Ballets Canadiens de Montréal's presentation of The Nutcracker at the National Arts Centre on Saturday, December 9th at 1:30pm.

To be eligible, you must be an oncology family currently undergoing treatment or in remission at the Children's Hospital of Eastern Ontario (CHEO).

We will select the families by virtue of a draw to be held at CHEO's Medical Day Unit (MDU) on Wednesday, November 29th, 2006. You do not need to be present – we will arrange pickup/delivery of the tickets.

TLP Foundation will also provide a per diem to cover parking and/or snacks if applicable.

If interested, please visit our website at www.tlpfoundation.com and enter the draw under the “what's new” section. If you do not have access to a computer, you may still enter the draw by either calling 819-457-9184 or faxing 819-457-2663 and indicating your family name, contact information, and ages of the people in your group.

Deadline for entry is Tuesday, November 28th at noon.

Thank you and we hope to see you at the ballet!
